

Gloria [Lyrics, 121 bpm, 4/4]

[Mclean Christmas EP] by DJ Corkey

Verse 1

Come to the stable and gaze upon Him
Our God in flesh in humble estate
Come to the manger and lay down your burdens
Cast all your cares upon this Babe

Verse 2

Come all you weary and heavy laden
Come and be healed by His own grace
For He has come, for the sake of the sinner
He will be pleased to take our place

Chorus

Gloria, glory in the highest
Glory in the highest I will sing
Gloria, glory in the highest
Peace on earth among men will He bring

Verse 3

He will be broken, He will be beaten
He'll be betrayed, by you and me
But He will not fail us, He's come to save us
He'll conquer death and rise as King

Chorus 2

Gloria, glory in the highest
Glory in the highest I will sing
Gloria, glory in the highest
Peace on earth among men will He bring

Gloria, glory in the highest
Glory in the highest I will sing
Gloria, glory in the highest
Peace on earth among men will He bring
